

ALEMANY HIGH SCHOOL --- CAMPUS

Location Photos

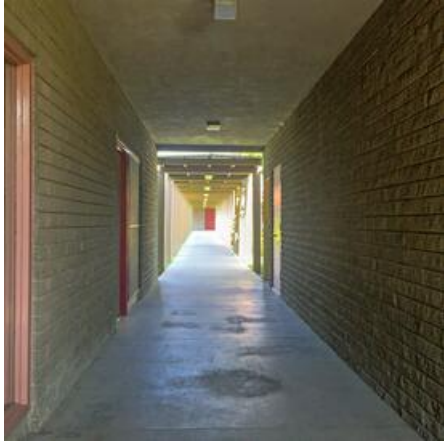

Image Zip File

[campus.zip](#)

ALEMANY HIGH SCHOOL is located within the Studio Zone in Mission Hills and offers classic California Spanish architecture on one side of the campus and on the other side a collection of single story dark grey cinder block buildings connected via extensive covered walkways. The Alemany Campus offers lush and mature landscaping and trees, including several lawns indicative of a college campus. Alemany also offers multiple parking lots as well as paved private roads to allow sufficient space for both base camp and crew parking.
